

Technical data sheet

OKB supply trunking

Item number: 7403811

Ready-to-mount trunking unit for cable routing, consisting of a trunking base with two covers. The scope of delivery contains two lid butt seals and one connector. For height adjustment, six height adjustment units are required. Load capacity up to a maximum of 5 kN. The trunking unit can be supplemented with an adjustable floor covering contact profile for screed limitation in areas of door frames and in front of radiator niches.
